Please read these notes before completing the form.

Please do take the time to read the School's website – it provides a lot of useful information.

Admission is limited to students who:

- are national of the UK and are eligible to hold full British passport
- are nationals of a member state to the European Union
- have right of residency in the UK.

Please complete **all** the relevant sections of the form as fully as possible to avoid any delay in processing the application.

The following documents are required for the application. It is important that you send them all to avoid any delays in receiving your answer.

- The completed boarding application (and Sixth Form Application for Year 12)
- The student's latest school report
- A scan of the ID page of the student's passport
- A 500 word personal statement from the student (Years 10 and 12 only)
- A completed English Test (if English is not your first language)

A reference will be requested from the student's current school before a final offer is made.

Entry into Year 12 requires a two year stay. Please note students at Dallam begin their formal GCSE qualification in Year 9. This is a three year course at Dallam, however, there are a limited amount of one-year placements available in Years 7-9.

We strongly suggest that students visit the school, however we do understand that some circumstances might make this difficult, therefore we offer a Skype interview to potential candidates

Please complete the form clearly using BLOCK CAPITALS to avoid any confusion.

APPLICATION FOR A PLACE (please write clearly in capitals)
